Event & Food News

Hillside is pleased to announce the future **Hillside Café**. Ray Calise will head this next improvement to the Club. We are planning to enclose the concrete patio outside the pro shop and set up the new Café. Ray will be making full breakfast on weekend mornings starting at 6:00am. We will have a bar and grille along with a seating area for eating, card playing or just relaxing in front of a large flat screen TV. Ray is also looking into some light entertainment on Friday nights. While these plans are in the making, Ray will be working out of the Club Bar.

Sunday, April 12—Easter Brunch—Bring the family to celebrate Easter at Hillside. Our brunch buffet will include an omelet station, carving station, antipasto table, and an array of breakfast and dinner selections. Price is \$21.95 for adults; children are half price.

Pasta Nite continues every Wednesday evening 5:00—9:00pm with its popular custom made entrees prepared to your liking. **Friday Night Dining** will resume on April 3rd offering full dinners including seafood, pasta, chicken and beef dishes. Reservations for either night are always appreciated.
