Dear Sue,

On behalf of my players and myself, I want to take this opportunity to thank you and John for your continued generous patronage of our golf program this season. For the past two years, we could not have asked for better treatment, and we look forward to concluding a very successful campaign (14-2 in the South Coast Conference) with our team banquet at Hillside in a few weeks. I would also like to express our gratitude to the following parties:

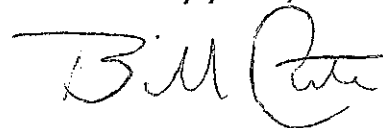

To the members of Hillside- our sincere thanks for your support throughout the season. The end-of-the-year cookout that you set up for us after our final match is a very special thing. It impressed the Somerset-Berkley team so much that they had one for us this year!

To the Pro Shop staff- Matt, John, Steve, Jeremy, Anthony and Kelly- thanks so much for being so cooperative. By working together, we continue to get our matches played without any disruption to any other golfers on the course.

To Henry and the course maintenance staff- a sincere "Well done" for your efforts. The work you have done on the course in the past year is really paying dividends, and course conditions will only get better in the future.

In closing, allow me to express to you again our gratitude to the entire Hillside team for what you have done for our program. We look forward to our banquet on November 10. Please share this letter with all mentioned parties.

Sincerely yours,
